

2020 03 14

Dear National Masters Chair, (*and shared with the Canadian Masters Weightlifters- mg*)

This is an opportunity for many of our lapsed members, who may wish to compete at the World Masters, to reconsider renewing their Membership in the Canadian Masters Weightlifting Federation.

We kindly ask you to share this notification to all your Masters athletes.

The safety of all Masters athletes and each person involved is the most important thing!!

However before taking any extreme measures like cancelling the 2020 IWF Masters World Championships in Orlando from 28 Aug. to 5 Sept., the IWF Masters and the USA (Masters) organization are monitoring the wide spread of the COVID-19 on the daily base. Both parties are supporting the idea of a B-PLAN date in order to give the best possible opportunity to host the 2020 IWF Masters World Championships.

The IWF Masters Committee highly appreciates all great efforts the USA (Masters) WL Federation is doing to provide this opportunity.

The B-PLAN DATE IS: 2 - 10 NOVEMBER 2020 IN ORLANDO AT THE WYNDHAM RESORT - INTERNATIONAL DRIVE.

ONLY IF THE SAID CHAMPIONSHIP MUST BE POSTPONED, THE NEW DATE WILL BE SET.

Some changes we are providing from now on:

- We will proceed as scheduled with the registration from April 1, until June 15 -2020. In case the event will be postponed to the B-Plan date: The IWF Masters will stretch the registration accordingly.

- For now we accept 2019 IWF Masters World Championships within the qualifying period. In case the event will be postponed to the B-Plan date: The IWF Mastes will stretch the qualifying period in conjunction with the new closing date of registration.

We thank you for your understanding and cooperation.

Best wishes, Denise Offermann (IWF Masters Secretariat)
